

Black Batinis

2 ounces rat poison

1/2 ounce truth serum

10 fresh batberries

Splash zombie virus

Splash embalming juice

Splash ghoul-ali ectoplasmic extract

batberry and bat shaped mint

Add rat poison, truth serum, batberries, zombie virus and embalming juice to a martini shaker and shake vigorously until the drink turns a deep purple. Strain into a cocktail glass and top with ghoul-ali ectoplasmic extract. Garnish with a batberry and a bat - shaped mint.

Print and cut out the recipe. Poke holes in the middle top and middle bottom of the recipe. Thread a wooden skewer through the holes. Place the recipe in a vase, wine bottle or liquor bottle with an orange flower in an upright position for your guests to read the recipe.
